

High School Football on Undefined Radio

We are excited to be the outlet for Mississippi High School Football for 2021, allowing all schools the opportunity and affordability to broadcast their team on the air LIVE on Friday Nights throughout the Season and throughout the Playoffs. The broadcasts are heard Nationwide and will also be archived on their own unique channel on undefinedradio.com. The ads heard on the live broadcast will remain for any broadcast of the archived shows as well as on our Undefined Radio YouTube Channel.

Minimal equipment is needed to broadcast which means NO expensive spending for the school. All you need is a cell phone to tie in to the studio and someone to call the games. Parents, relatives and friends can listen in wherever they are. With up to 12 hours broadcast time per day on your own branded channel the options are endless for your school.

We look forward to talking with you and getting your school set up for the season!
